Matt Splinter's Legacy "Builds" In McFarland

"When Matt Splinter died suddenly the softball community throughout Southeastern Wisconsin mourned the loss.

Friends wanted to find a way to remember Matt, and with his family's passion for softball, the choice was obvious.

The annual Matt Splinter Memorial Softball Tournament was born. The money raised throughout the weekend will help to build Splinter's legacy at Brandt Park." *Quote courtesy of channel 27 WKOW TV sports.*

In the four short years the Matt Splinter Memorial Tournament committee has been able to:

- Purchase and install 2 New Electric Scoreboards
- Purchase and install New Yardage Markers
- Enabled the McFarland Softball Association to secure a loan to build a new Brandt Park pavilion complete with restrooms and kitchen/concession stand. Proceeds of the tournament go to repay the loan and other Brandt Park improvements

Further goals include new playground equipment and a redesign of the softball fields.

Once again we ask the community for their continued generous support, without which, none of this would be possible.

Our E.I.N. is 26-2715880 and our web address is www.ms22.com where you can get more information, watch the 27 sports broadcast, volunteer or donate to the Matt Splinter Memorial Tournament.
